Welcome to Mystic Kick's Promotional Brochure.

The Canadian Rock band Mystic Kick performs Original Material as well as Rock Covers from the early 60's to present. Mystic Kick is located in and around Belleville, Ontario Canada and the Quinte region.

Mystic Kick is a new band that has a talented and fun group of guys. Their sound could be described as a unique however Three Days Grace would be a close match. Mystic Kick is not only going to give you great music to listen and dance too, but will give you an experience. So keep a lookout for us at a bar, club, or venue near you. We also do private parties, weddings, Festivals etc.

This high energy band merges old school rock sensibility with a modern alternative, Rock approach, underscored by a unique flavour of attitude and presence reminiscent of the mid 80's - 90's arena rock era but with their own twist.

People go to rock shows to be entertained. They don't want to hear about politics or look at some depressed kid with greasy hair. We need to change that. Remember the big arena rock shows? The days of pyrotechnics, big light shows, huge stages, ramps, swings, and all that crazy stuff? We want to bring that back. We hope to be just like that some day, only with our own style of music..
